**Please note that Central Texas Food Bank will not be hosting a mobile pantry distribution at your site in Webberville in October 2022 and the Mobile Pantry in Webberville has been canceled until further notice.**

Dear Mayor Gonzales,

We have recently done an assessment of our mobile pantry program and have determined we need to make changes to our calendar. Serving those in need across Central Texas and respectful manor has always been and remains our top priority.

Due to programmatic changes, we have had to make some tough decisions about where we can continue to operate and ultimately have had to cancel some of our distributions. Given the historical decline in attendance at Webberville, which has continued for several months, it is after much thought and consideration that we are reaching out to inform you that the Webberville Mobile Pantry Distribution is being paused for the month of October. We value the partnership between your organization and CTFB and do not take this decision lightly. We will be determining in the month of October how our partnership will continue and plan to communicate that with you soon.

**Please note that we will not be hosting a mobile pantry distribution in Webberville on October 12<sup>th</sup>, 2022.**

**Call 2-1-1 or use [centraltexasfoodbank.org/find-food](https://centraltexasfoodbank.org/find-food) to find the pantry nearest to you if they need additional resources.**

We truly appreciate your ongoing support of the Mobile Pantry Program and thank you for your partnership. Please feel free to reach out to me if you have any questions or want to discuss this change further.

Kind regards,  
Tanya Greenough
