- B. The term of this franchise shall commence on March 18, 2003 and shall extend for a period of ten years until March 18, 2013. This franchise shall be automatically extended for one consecutive ten year term, unless on or

before one (1) year before the expiration of the original or extended term, the Village notifies Grantee of its intent not to extend this franchise.

- C. The Grantee may obtain the extension provided in Subsection 2 (B) only if the Grantee is in substantial compliance with the material terms and conditions of this franchise, including without limitation this Section and Section 7.
- D. The Grantee shall not allow the use of its system by another entity, except as required by law, to provide any service, unless the entity warrants that it has obtained all the authorizations required by the Village in order to provide the service. The Village shall assume all legal responsibility for enforcing its authority to impose franchise, consent or other requirements on service providers through this provision.
- E. The Grantee or affiliates shall not install or construct facilities within public rights-of-way for services which are not authorized by this franchise, by applicable law, or by another franchise.
- F. This franchise does not authorize either party to attach any part of its system to the other party's electric utility infrastructure or to use any of the other party's conduits or facilities until the parties have entered into a separate agreement, supported by independent consideration, for the rights of attachment or use.
- G. Nothing in this franchise shall be construed to require or authorize the Cooperative to exceed its certification rights granted by the Public Utility Commission of Texas, except as may be mutually agreed by the Village and the Cooperative.

SECTION 3. CONSTRUCTION WORK REGULATION BY VILLAGE AND UNDERGROUND CONDUIT USE BY THE GRANTEE.

- A. Work done by the Grantee in connection with the construction, expansion, reconstruction, maintenance or repair of its facilities in the public rights-of-way shall be subject to and governed by all Village requirements, and applicable federal and state rules and regulations.
- B. Excavations and other construction in the public rights-of-way shall be performed in accordance with applicable Village requirements, including the obligation to use trenchless technology whenever possible. Furthermore, the

Grantee shall construct and excavate in a manner which minimizes interference with the use of public and private property and in accordance with Village directives under the police and regulatory powers of the Village.

C. The Village may require the Grantee to attach portions of its facilities to poles or duct trench space maintained by any other persons or entities franchised by the Village. The Grantee shall not be required to attach its facilities to the poles or duct trench space of another person or entity franchised by the Village if it can be shown to the Village's satisfaction that the Grantee shall be subjected thereby:

1. to increased risks of interruption to its service.
2. to increased liability for accidents.
3. unreasonable delay in construction or availability of service.
4. to the use of facilities that are not of the character, design and construction required by the NESC.

"Traffic Lights" shall not include revenue producing or commercial access telecommunications systems, including, but not limited to fiber optics and cable television systems. The Cooperative shall provide space on existing facilities and those to be constructed in the public rights-of-way for the Village to attach Traffic Lights.

1. The Cooperative agrees to provide for and accommodate Traffic Lights when the Cooperative constructs any new facilities, or when

the Cooperative upgrades existing facilities during scheduled maintenance activities.

2. If existing Cooperative facilities are inadequate, and the Village requests space on Cooperative facilities to accommodate Traffic Lights, the Cooperative shall upgrade its facilities at the Village's expense. The Village shall reimburse the Cooperative for the difference between the cost of the upgraded facilities required to accommodate the Traffic Lights and the cost of replacing the existing facilities.

SECTION 4. WORK BY OTHERS, CONSTRUCTION BY ABUTTING OWNERS, ALTERATION TO CONFORM WITH PUBLIC IMPROVEMENT.

- A. The Village reserves the right to lay and permit to be laid, sewer, gas, water, and other pipe lines or cables and conduits, and to do and permit to be done, any underground and overhead work, and any attachment, restructuring or changes in aerial facilities that the Village Manager requires in, across, along, over or under any public street, alley or right-of-way occupied by the Grantee, and to change any curb or sidewalk or the grade of any street. In permitting work to be done, the Village shall not be liable to the Grantee for any damages not directly caused by the willful misconduct or negligence of the Village; provided, however, nothing herein shall relieve any other person or entity, including any contractor, subcontractor, or agent from liability for damage to the Grantee's system.
- B. In the event that during the term of this franchise, the Village authorizes abutting landowners to occupy space under the surface of any public street, alley, or right-of-way, such grant to an abutting landowner shall be subject to the rights herein granted to the Grantee. In the event that the Village closes or abandons a segment of the public rights-of-way, that contains a portion of the Grantee's system, the conveyance of land contained in the closed or abandoned public right-of-way shall be subject to the rights herein granted.
- C. During the term of this franchise, the Grantee shall be liable for the acts or omissions of an entity used by the Grantee including an affiliate if the entity is involved directly or indirectly in the construction and installation of the

Grantee's system to the same extent as if the acts or omissions of such entity were the acts or omissions of the Grantee.

- D. Relocation or Removal of Facilities: Within 90 days following written notice from the Village, the Grantee shall, at its own expense, temporarily or permanently remove, relocate, change or alter the position of any of its system or other of its facilities that are within the public right-of-ways if the Village determines that the removal, relocation, change or alteration is reasonably necessary for:
1. The construction, repair, maintenance or installation of any Village or other public improvement in or on the public rights-of-way.
 2. The operations of the Village or other governmental entity in or upon the public rights-of-way.

SECTION 5. COMPLIANCE WITH VILLAGE CHARTER OR ORDINANCES.

The Grantee recognizes, accepts and agrees that the terms, conditions and provisions of this franchise are subject to the applicable provisions of the Webberville Village Charter or ordinances. The Village Attorney shall review a request by the Grantee for a modification of this franchise for compliance with the applicable provisions of the Village Charter or ordinances.

SECTION 6. CONSTRUCTION, MAINTENANCE, EXPANSION, RECONSTRUCTION, AND EXCAVATION.

- A. In furtherance of the public interest in safety, health and public welfare and to facilitate the safe management of public right-of-way, the construction, expansion, reconstruction, excavation, use, maintenance and operation of the Grantee's system and property is subject to all generally applicable Village requirements as determined by the Village Mayor, or designee. In addition to any other Village requirements, the Grantee shall provide the Mayor, Public Works Director or such other officials as the Village may designate construction plans and maps showing the routing of any new construction and construction plans, 45 days prior to the commencement of construction which involves an alteration to the surface or beneath the surface of the public right-of-way, to the extent generally required. The Grantee shall not begin construction until the plans and drawings have been approved in

writing by the Mayor or Public Works Director, or 45 days after submission, whichever occurs first.

- B. On written request by the Village, the Grantee shall remove and abate a facility, when the Mayor or Director of Public Works declares an emergency. The Grantee and the Village shall cooperate to the extent possible to assure continuity of service. If the Grantee, after notice, fails or refuses to act, the Village may remove or abate the facility, at the sole cost and expense of the Grantee, without compensation or liability for damages to the Grantee.
- C. On completion of initial or any subsequent construction work, the Grantee shall promptly restore the public right-of-way in accordance with applicable Village requirements. The Grantee may excavate only for the construction, installation, expansion, repair, removal, and maintenance of its facilities.
- D. Except in an emergency, the Grantee may not excavate pavement in a public alley or street or significant amounts of an unpaved public right-of-way without first complying with applicable Village requirements.
- E. Within 120 days of completion of each segment of the Grantee's facilities, the Grantee shall supply the Village with a set of "as built" drawings for the segment. The Grantee shall provide every year a set of "as-built" drawings incorporating changes to the Grantee's facilities in the public right-of-way. The Grantee must obtain the Village's approval before relocating facilities in the public right-of-way. Approval is presumed 30 days after requested, unless the Village disapproves in writing, stating specific objections to the relocation which affect future use or safety.

SECTION 7. COMPENSATION TO THE VILLAGE.

- A. **General Compensation.** The Village Commission finds that the public rights-of-way to be used by the Grantee in the provision of services within the boundaries of the franchise area is valuable public property, acquired and maintained by the Village at great expense to its taxpayers, and the grant to the Grantee of the use of said public right-of-way is a valuable property right without which the Grantee would be required to invest substantial capital in right-of-way costs and acquisitions. The Grantee agrees to pay to the Village as general compensation during each year of this franchise, a franchise fee

consisting of three percent of the Grantee's gross revenue derived within the franchise area.

- B. Calculation and Payment on a Quarterly Basis of Annual Franchise Fee. The Grantee shall pay to the Village for each quarter this franchise remains in effect an amount equal to three percent of gross revenue, referred to as the "Quarterly Payment." The Grantee shall make this payment to the office designated by the director by 12:01 P.M. on the 45th day following the close of the calendar quarter for which the quarterly payment is calculated. Any necessary prorations shall be made. Payment for the first quarter of 2003 shall be made with the second quarter of 2003.
- C. To the extent consistent with federal law, the compensation set forth in this section is exclusive of and in addition to all special assessments and taxes, including, but not limited to, ad valorem taxes, street cut permits, inspection fees and assessments for recovery of costs incurred by the Village.
- D. In the event any quarterly payment is made after noon on the date due, the Grantee shall pay a late payment charge of the greater of:
 - 1. \$100
 - 2. Simple interest at 10% annual percentage rate of the total amount past due.
- E. Payment of money under this section shall not in any way limit or impair the privileges or rights of the Village, whether under this franchise or otherwise. No acceptance of any payment shall be construed as an agreement that the amount paid is the correct amount, nor shall acceptance be construed as a release of any claim which the Village may have for additional sums payable under the provisions of this section.
- F. The Grantee shall file annually with the director no later than 120 days after the end of the Grantee's fiscal year, a statement of gross revenue for that year within the franchise area pursuant to this franchise. This statement shall present a detailed classification of gross revenue and uncollectible accounts for the year in a form prescribed by the director after consultation with the Grantee.

- G. A transaction or arrangement which has the effect of circumventing payment of required franchise fees or evasion of payment of franchise fees by non-collection, non-reporting of gross revenue, collection of revenues by affiliates, bartering, or any other means which evade the actual collection of revenues by the Grantee for services delivered over the system or businesses the Grantee pursues derived from the operation of the system is prohibited.

SECTION 8. ACCOUNTS, RECORDS, REPORTS AND INVESTIGATIONS.

- A. Upon request and not later than 30 days after receiving a confidentiality agreement from the Village prohibiting disclosure of Grantee's confidential information, the Grantee shall provide the Village information as to all matters in connection with or affecting the construction, reconstruction, removal, maintenance, operation and repair of the Grantee's system and any other facilities in the public right-of-way. The Village shall extend the time for provision of such information upon a reasonable showing by the Grantee.
- B. The Grantee shall keep complete and accurate books of accounts and records of its business and operations pursuant to this franchise in accordance with generally accepted accounting principles. After consultation with the Grantee, the director may require the keeping of additional records or accounts which are reasonably necessary for purposes of identifying, accounting for, and reporting gross revenue and uncollectibles for purposes of Section 7. To the extent practicable, the Grantee shall keep its books of accounts and records in a manner that identifies revenues by type within the franchise area.
- C. In order to determine the gross revenue received by the Grantee which is subject to franchise fee in accordance with Section 7, the Grantee agrees that on the same date that payment is made, it will file with the Village Clerk a report that itemizes revenues which comprise gross revenue. Without limitation on the discretion of the director to require additional information, this report shall incorporate a statement reflecting the market value of all "trade" revenue (revenues from exchanges or barter which do not involve monetary compensation).

- D. The Village may have the books and records of the Grantee examined by a Village representative to verify the correctness of the reports filed in accordance with this section.
- E. The director may require the Grantee to report to the Village other information relating to this franchise. The Grantee shall comply with the Village's requests of forms for reports, the time for reports, the frequency with which reports are to be made, and whether reports are to be made under oath.
- F. On the director's 30-day written request, and in compliance with Section 8A above, the Grantee shall make available to the Village, during regular business hours, its books and records. The director may examine, audit, review or obtain copies of the papers, books, accounts, documents, maps, plans and other records of the Grantee pertaining to gross revenue derived by the Grantee and affiliates from the operation of the transmission and distribution system to verify the accuracy of payments under Section 7. The Grantee shall fully cooperate in making available its records and otherwise assisting in these activities. The Village shall extend the time for the provision of such information after a reasonable showing by the Grantee that such extension is justified.
- G. The director may, at any time, make inquiries pertaining to the Grantee's performance of the terms and conditions of this franchise. The Grantee shall respond to such inquiries within 30 days.
- H. The Village will maintain confidentiality of information provided by the Grantee to the extent permitted by law if the Grantee has notified the Village of the confidential nature of the information. The Village will provide the Grantee copies of requests under the Texas Open Records Act which pertains to such information and the related referral to the Attorney General.

SECTION 9. ASSIGNMENT OF FRANCHISE.

- A. Neither this franchise, the assets held by the Grantee for use under this franchise which are in the public right-of-way, any rights or privileges of the Grantee under this franchise, either separately or collectively, shall be sold, resold, assigned, transferred or conveyed by the Grantee to any other person, firm, affiliate or entity, without the prior written consent of the Village by ordinance. Should the Grantee sell, assign, transfer, convey or otherwise

dispose of its rights or interests under this franchise, including the Grantee's system or capacity on its system, or attempt to do so, without the Village's prior consent, the Village may revoke this franchise. On revocation all rights and interest of the Grantee shall cease. A transfer in violation of this section shall be null and void and unenforceable.

- B. A change of control of the Grantee is a transfer under this section. There shall be a rebuttable presumption of a change of control of the Grantee upon a change of 25% or greater in the ownership of the Grantee. A mortgage or other pledge of assets to a bank or lending institution in a bona fide lending transaction shall not be considered an assignment.

SECTION 10. VIOLATIONS.

- A. If the Grantee is in violation of this franchise, the director or designee shall notify the Grantee in writing of the violation setting forth the nature of such violation. Within 21 days of receipt of such notice, or such longer period specified by the director, the Grantee shall respond in writing that the violation has been cured or provide a cure plan or schedule that satisfies the director or provide an explanation with documentation to support that an alleged violation did not occur.
- B. Notwithstanding Subsection 10 (A), the Grantee shall be allowed 30 days to cure violations after written notice is received from the Village, by taking appropriate steps to comply with the terms of this franchise and any lawful regulations. If the nature of the violation is such that it cannot be fully cured within 30 days due to circumstances not under the Grantee's control, the period of time in which the Grantee must cure the violation may be extended by the director in writing for such additional time reasonably necessary to complete the cure, provided that (i) the Grantee has promptly begun to cure, and (ii) the Grantee is diligently pursuing its efforts to cure in the director's reasonable judgment.
- C. If a violation has not been cured within the time allowed under Subsection B the Grantee shall be liable for liquidated damages for the following violations:
1. Failure to promptly provide data, documents, reports or information to the Village, in accordance with Section 8: \$200 per day, for each day such failure continues.

2. Failure to comply with Village requirements concerning construction in the public rights-of-way: \$200 per day for each day such failure continues.
- D. The Grantee agrees that each of the failures in Subsection (C) shall result in injuries to the Village and its citizens and institutions, the compensation for which would be difficult to ascertain and to prove. Accordingly the Grantee agrees that the foregoing amounts are liquidated damages, not a penalty or forfeiture.
 - E. At the Grantee's request, the Village shall afford the Grantee an opportunity to show that a violation has not occurred, through an administrative hearing on thirty 30 days' notice before an impartial hearing examiner jointly designated by the Village Attorney and the Grantee within 30 days of the Grantee's request. If as a result of the administrative hearing, the hearing examiner determines that a violation has not occurred, the Village shall pay all of the expenses related to the administrative hearing. If a violation has occurred, the Grantee shall pay the expenses. After the conclusion of the administrative hearing either party may seek any and all remedies which it may have at law or under the terms of this contract.
 - F. Upon evidence being received by the Village that violations of this franchise, Village Charter provisions or the ordinances regulating the Grantee in the construction and operation of its system have occurred, or continue to occur after the 30 day period, and any additional time necessary to cure, as allowed under Subsection 10 (B), the Village may make an investigation. If the Village finds that such a violation continues to exist or has occurred, then the Village or the Grantee may take an action authorized by law, subject to Section 19, including forfeiture of this franchise and a suit in court to compel compliance. In any such proceeding the non-prevailing party shall be required to pay the reasonable expenses incurred by the prevailing party in such suit and all damages and costs (including attorney fees), but the Grantee may be allowed, either by the court in the judgment of forfeiture or by order of the Village Commission, a reasonable time thereafter, as fixed by such judgment or order, to correct the default and pay such expenses, damages and costs as it may be adjudged to pay, and if the Grantee does so correct and so pay within a reasonable time, forfeiture shall not become effective nor be enforced.

- G. Failure by the Village or the Grantee to enforce rights under this franchise does not constitute a waiver of the rights.

SECTION 11. INDEMNITY.

- A. The Grantee shall defend, indemnify and hold Village harmless from and against all damages, cost, loss or expense for the repair, replacement, or restoration of Village's property, equipment, materials, structures and facilities which are damaged, destroyed or found to be defective as a result of the Grantee's negligence, or willful misconduct. Grantee specifically excludes from this indemnity acts of negligence, willful misconduct, or strict liability of the Village or third parties not under Grantee's control.
- B. The Parties, for themselves and their agents, employees, subcontractors, and the agents and employees of any subcontractors, shall defend, indemnify, and hold each other, their successors, assigns, officers, employees and elected officials harmless from and against any and all claims, demands, suits, causes of action, and judgments for:
- (i) Damage to or loss of the property of any person (including, but not limited to the parties, their agents, officers, employees and subcontractors, and third parties); and/or
 - (ii) death, bodily injury, illness, disease, worker's compensation, loss of services, or loss of income or wages to any person (including but not limited to the agents, officers and employees of the parties, their subcontractors and third parties), arising out of, incident to, concerning or resulting from the negligence or willful misconduct of the parties, their agents, employees, or subcontractors, in the performance of all activities and services under this franchise, no matter how, or to whom, the loss may occur.
- C. The Parties shall give each other prompt written notice of any claims or suits. The Parties shall have the right to investigate, defend and compromise same to the extent of their own interests.

SECTION 12. NOTICES.

Notices from the Grantee to the Village under this franchise shall be directed to the Village, c/o the Village Attorney and the Mayor or Director, individually, at:

Village of Webberville
P.O. Box 367
Manor, TX 78653

and Grantee, c/o its General Manager at:

BLUEBONNET ELECTRIC COOPERATIVE, INC.
P.O. BOX 240
GIDDINGS, TEXAS 78942

or to the officer as designated by the parties. The parties shall also provide a telephone number operational during normal business hours for the conduct of matters related to this franchise. Any change in address or telephone number shall be furnished to the other party 10 days prior to the change.

SECTION 13. FORFEITURE AND TERMINATION.

- A. In addition to all other rights and powers retained by the Village under this franchise or otherwise, the Village reserves the right to forfeit and terminate this franchise and all rights and privileges of the Grantee hereunder in the event of a material breach of its terms and conditions, subject to reasonable notice and opportunity to cure, as provided in Section 10 as well as the provisions of Section 19.
- B. Material breaches of this franchise specifically include, but are not limited to the violations set forth in Sections 3, 4, 6, 7 and the provision of services not authorized by this franchise.
- C. The preceding shall not constitute a material breach if the violation occurs without the fault of the Grantee or occurs as a result of circumstances beyond its control. The Grantee shall not be excused from performance of any of its obligations under this franchise by mere economic hardship, nor misfeasance or malfeasance of its directors, officers or employees.

- D. A termination shall be declared only by a written decision of the Village Commission after an appropriate public proceeding before the Village Commission, which shall accord the Grantee due process and full opportunity to be heard and to respond to any notice of grounds of termination. All notice requirements shall be met by providing written notice to the Grantee at least 15 days prior written notice of a public hearing concerning the proposed termination of this franchise. Such notice shall state the grounds for termination alleged by the Village.
- E. The Village Commission, after public hearing, and upon finding the existence of grounds to terminate, may either declare this franchise terminated or excuse the breach upon a showing by the Grantee of mitigating circumstances or good cause for the existence of such grounds.
- F. Neither the Grantee's acceptance of this franchise, the Grantee's appearance before the Village Commission at any public hearing concerning proposed termination of this franchise nor any action taken by the Village Commission as a result of such public hearing, including a declaration of termination or a finding of grounds to terminate, shall be construed to waive or otherwise affect the Grantee's right to seek judicial determination of the rights and responsibilities of the parties under this franchise.

SECTION 14. GOVERNING LAW.

This franchise is subject to the provisions of the Constitution and laws of the United States of America and the State of Texas and the Charter and ordinances of the Village of Webberville.

SECTION 15. FORCE MAJEURE.

The time within which the Grantee shall be required to perform any act under the franchise shall be extended by a period of time equal to the number of days performance is delayed due to a force majeure, nor shall the Grantee be subject to any penalty hereunder because of acts or failure to act due to force majeure. The term force majeure shall mean delays due to acts of God, civil disturbances, fire, unavoidable casualty, construction delays due to weather, failure of suppliers or for other similar causes beyond the control of Grantee.

SECTION 16. SEVERABILITY AND PREEMPTION.

- A. Except as provided in Subsection (B) of this Section, if any section, subsection, sentence, clause, phrase, term, provision, condition, covenant or portion of this franchise is for any reason held invalid or unenforceable by any court of competent jurisdiction, or superseded by state or federal legislation, rules, regulations or decision, the remainder of this franchise shall not be affected, but shall be a separate, distinct and independent provision, and such holding shall not affect the validity of the remaining portions, and each remaining section, subsection sentence, clause, phrase, provision, condition, covenant and portion of this franchise shall be valid and enforceable to the fullest extent permitted by law.
- B. If Section 7 of this franchise is held invalid or unenforceable by any court of competent jurisdiction, or superseded by state or federal law, rules, regulations or decision so that the intent of these provisions is frustrated, the parties agree to immediately negotiate a replacement provision to fulfill the purpose and intent of the superseded provisions consistent with applicable law.
- C. If federal or state laws, rules or regulations preempt a provision or limit the enforceability of a provision of this franchise, then the provision shall be read to be preempted to the extent and for the time required by law. In the event such federal or state law, rule or regulation is subsequently repealed, rescinded, amended or otherwise changed so that the provision that had been preempted is no longer preempted, such provision shall return to full force and effect, and shall thereafter be binding on the parties, without the requirement of further action on the part of the Village, and any amendments to this franchise negotiated pursuant to Subsection (B) of this Section as a result of such provision being preempted shall no longer be of any force or effect.

SECTION 17. ACCEPTANCE OF FRANCHISE.

The Grantee shall, within 60 days after receiving notice from the Village of the passage of this franchise, file in the office of the Village Clerk a written instrument accepting this franchise and all terms and conditions, signed and acknowledged by its proper officers in a form acceptable to the Village.

SECTION 18. EFFECTIVE DATE.

This franchise shall take effect for the purpose of calculating compensation and determining expiration of its term on March 18, 2003.

SECTION 19. ARBITRATION.

- A. Any controversy or dispute between the Grantee and the Village concerning the performance of either party under this franchise and/or calculation of any monetary payment due to the Village by the Grantee shall on the written request of one party served on the other, be submitted to binding arbitration.
- B. The arbitration shall be governed by the Commercial Arbitration Rules of the American Arbitration Association ("AAA Rules"), and shall take place in Lee County, Texas. The parties may agree on a single arbitrator, but if they are unable to agree, there shall be three arbitrators, one named by each of the parties in writing within 30 days after the demand for arbitration is made, and a third to be chosen within 30 days by the two arbitrators named by each party. If there are three arbitrators, the decision of any two shall be conclusive on all matters properly before the panel. Neither the sole nor the third arbitrator may be a resident of, or maintain his/her principal office in a county within the Cooperative's service area, but this limitation shall not apply to arbitrators selected by the respective parties in a three arbitrator panel. To the fullest extent permitted by the AAA Rules, the arbitrators selected by the parties for a three arbitrator panel shall not be required to be certified by the AAA, but the third arbitrator must comply with all AAA requirements.
- C. The cost and expenses of arbitration, including the fees of a single or panel of three arbitrators, and all fees and expenses related to both parties' attorneys, consultants and expert witnesses shall be paid by the non-prevailing party; if however, in case neither party prevails these expenses shall be divided evenly between the parties.
